CHÂTEAU DE NAGES - CUVÉE JT-RED - 2016

Dedicated to our visionary great grandfather, this cuvee of northern Rhône character is from our very best parcels of Syrah lifted by a touch of Mourvèdre.

2016 vintage is the greatest vintage I've ever seen in 23 years of making wine. Naturally moderate yields, a warm and dry growing season with exceptionally cool nights produced fresh, concentrated and wonderfully balanced grapes.

Terroir: « Grès », rolled pebbles from the Rhône over red clay rich in iron – AOP Costières de Nîmes – Certified Organic

Varietals: 93% Syrah & 7% Mourvèdre

Vinification:

o certified organic farming with particular attention to soil health

o at veraison, manual pass to remove lateral shoots and "grapillons" (2nd generation grape clusters)

- o manual harvest with sorting
- o 3/3 whole cluster and 1/3 whole berries without adding SO2
- o cold pre-fermentation maceration for 5 days
- o native yeast fermentation at 24°C and a warm maceration (28°C) for 20 days to round off tannins
- o aging in French oak of half of the volume and in cement tank of the rest for
- o blending and bottling without filtration (deposits probable)

Tasting notes:

- o Appearance: a deep, almost black, garnet
- o Nose: complex bouquet of dark berry fruit with accents of violet, pepper and smoke
