Costières de Nîmes Blanc 2023

Costières de Nîmes, Rhône's most southern appellation, is located near the sea. It benefits from cool maritime breezes which bestow the wines with freshness and elegance.

This vibrant blend balances richness and purity, with aromas of pear and citrus zest complementing a palate of honey and green apple. Its lively, elegant finish enhances flavors. Versatile, it elevates any meal with its complex, refreshing character, perfect for pairing with fish, seafood, Asian fare, and grilled vegetables.
